FILM MAKER / SERIES PRODUCER

oli@fcnk.co.uk 07956 426 136

For the last 20 years I have been making films for television and theatrical presentation, working for internationally renowned broadcasters such as the BBC and for creators including New Guide to Opera, Unhold Productions and Stans Cafe.

I have a proven track record of high end broadcast series producer & director credits across many genres including food television. I have series produced three of the BBC's most successful food series of the last 5 years.
